

Negotiate
an international climate change agreement
at the UMaine Hutchinson Center

May 9, 5 -8p.m.

Participants will:

- not need any particular background knowledge
- experience how climate negotiators interact
- learn how to reduce global carbon emissions
- learn what decisions impact commitments
- discover the impact of commitments on global temperature

A light dinner of vegetarian chili and cornbread will be served. To reduce carbon footprints participants are invited to bring their own bowls and spoons.

This guided, interactive simulation, free and open to the public, is facilitated by the UMaine Hutchinson Center, the UMaine School for Policy and International Affairs, UMaine Climate Change Institute and the Belfast Bay Watershed Coalition.
